

To All Members -affiliated and social

The following rules will be strictly applied after 1 January 2015

After its review of the liquor licensing act [1998] and in the light of the new developments at the club the Board has decided to implement the following new rules:

- i. **Each member must show their TBC membership card before ordering any drink at the bar. No exception will be made to this rule.**
- ii. **All properly signed in guests must show their tear off visitors slip to receive any service from the bar.**
- iii. **Non-members [not signed in], whilst welcome on the precinct will not be served from the bar.**
- iv. **New procedures, yet to be designed, for large gatherings of non-members will be used by event managers.**
- v. **Visiting affiliated bowlers and officials are for that time honorary members and do not require 'signing – in' -- provided that a record of their competition entry is retained by the organizing subcommittee. Visiting supporters are deemed to be non-members.**

Further details of all the changes in policy will be provided in the coming weeks.
