

Dear Torquay Bowls Club supporter,

We are not alone in that COVID-19 has impacted our club and its capacity to generate income to keep us going. We will need to raise funds for some of the work being done around the club and to facilitate reopening.

Our fundraising committee have been made aware of a sports club fundraising facility – Click Frenzy, facilitated by MyCause.

How it works:

Log on to the Click Frenzy Sports Virtual Canteen and find the Torquay Bowls Club – link to the page [here](#).

Donate by “purchasing” a **virtual** item from the canteen.

97.5% of donations come to the club (2.5% only is held by My Cause for platform & bank fees).

The click frenzy campaign has begun and will run until Sunday 23th August, 2020.

We hope that the Torquay community, supporters and members of our club can help us in this campaign if they are able. We will publicise the projects that your donations have helped us achieve and we look forward to welcoming the community back into our club as soon as allowable.

Many thanks,

Torquay Bowls Club
