

Sunday 24th October, 2021

The Torquay Bowls Club Board of Management advises the following:

In line with The Chief Health Officer's current COVID-19 directions and the Government's Vaccinated Economy plan, all Members, Visitors and Staff will be required to show proof of Vaccination on entry to our premises, including the greens & surrounds, effective immediately.

This is a requirement from the Government's directives applicable from 22nd October, 2021.

We are aware this may impact some of our fellow bowling members and we will keep abreast of the ever-changing guidelines as we work through this pandemic.

The detail:

- Only a full vaccinated or excepted person is permitted on the premises.
 - Fully vaccinated: To have received two doses of a COVID-19 vaccine.
 - Excepted : To hold a medical practitioner's certificate stating inability to receive a dose/s for a medical reason
 - Excepted : A person under 16 years of age.
- Acceptable evidence of vaccination to be produced on entry.
 - Service Victoria QR check-in that includes uploaded vaccination status
 - A COVID-19 official digital certificate or immunisation history statement on an App or smartphone wallet
 - A printed version of the COVID-19 digital certificate or immunisation history statement issued by the vaccination provider or Australian Immunisation Register (does not include a copy printed by the person). An ID will also be required for verification.

We trust you will respect any request made by our staff to show proof of vaccination. We will of course promptly advise our members should any of the directives change.

We look forward to progressing through to a more "normal" environment with all our valued members.
