Applies to all Guests and Members

The following rules will be strictly applied after 1 January 2015
After its review of the liquor licensing act [1998] and in the light of the new developments at the club the Board has decided to implement the following new rules:

- i. Each member must show their TBC membership card before ordering any drink at the bar. No exception will be made to this rule.
- ii. At the front door entry between the greens, guests must sign in at the sign in table with the date of entry, their name and address to enter the clubrooms and receive service from the bar and bistro. (Members do not need to sign in.)
- iii. Large gatherings of non-members from scheduled events such as weddings, funerals, parties and business training etc will be managed by the bar/bistro manager using the guest list.
- iv. Visiting affiliated bowlers and officials are for that time honorary members and do not require 'signing – in' -- provided that a record of their competition entry is retained by the organizing subcommittee. Visiting supporters are deemed to be non-members and require signing in.
